ARTICLE 1. Preamble

PERFORMING AGENCY and RECEIVING AGENCY (the parties) agree to make and enter into this grant contract (contract), to faithfully perform the duties prescribed by this contract, and to uphold and abide by its terms and provisions. This contract consists of RECEIVING and PERFORMING AGENCY identifying data, Details of Attachment(s), authorized signatures, General Provisions, and Attachment(s) with detailed Scope(s) of Work, Special Provisions, budget(s), and exhibit(s) as applicable. This contract represents the complete and entire understanding and agreement of the parties. No prior agreement or understanding, oral or otherwise, of the parties or their agents will be valid or enforceable unless embodied in this contract.

The person or persons signing and executing this contract on behalf of PERFORMING AGENCY, or representing themselves as signing and executing this contract on behalf of PERFORMING AGENCY, warrant and guarantee that he, she, or they have been duly authorized by PERFORMING AGENCY to execute this contract on behalf of PERFORMING AGENCY and to validly and legally bind PERFORMING AGENCY to all of its terms, performances, and provisions.

PERFORMING AGENCY assures compliance with this contract, including these General Provisions unless otherwise specified in any Special Provisions of the Attachment(s) to this document. If these General Provisions are revised or replaced during the term of this contract and PERFORMING AGENCY does not consent to comply with the modified General Provisions, PERFORMING AGENCY may exercise its termination options in accordance with the General Provisions, Termination Article.

ARTICLE 2. Term

The time period of this contract shall be governed by the term(s) of the Attachment(s). No commitment of contract funds is permitted prior to the first day or subsequent to the last day of the term. The term may be extended or shortened by amendment(s).

ARTICLE 3. Funding

This contract is contingent upon the availability of funding for each Attachment for the term of the Attachment. PERFORMING AGENCY shall have no right of action against the State of Texas or RECEIVING AGENCY in the event that RECEIVING AGENCY is unable to fulfill its obligations under this contract as a result of lack of sufficient funding of RECEIVING AGENCY for any Attachment(s) to this contract. If funds become unavailable, provisions of the Termination Article will apply.

ARTICLE 4. Amendments

This contract may be amended only if the amendment is in writing and signed by individuals with authority to bind all parties.

PERFORMING AGENCY shall not perform and RECEIVING AGENCY shall not pay for the performance of different or additional services, work, or products except pursuant to an amendment of this contract that is executed in compliance with this Article. RECEIVING AGENCY may not waive any term, covenant, or condition of this contract unless by amendment executed in compliance with this Article.

PERFORMING AGENCY shall plan expenditures so that any necessary budget revisions or amendments are executed no later than 90 days prior to the expiration of the Attachment term. PERFORMING AGENCY shall provide a written justification for any budget revisions and/or amendments. If a budget revision or amendment is requested during the last quarter of the Attachment term, the written justification must include a reason for the delay. Revision or amendment requests may be granted at the discretion of RECEIVING AGENCY.

ARTICLE 5. Applicable Laws and Standards

This contract shall be interpreted under and in accordance with the laws of the State of Texas and enabling state rules. Where applicable, federal statutes and regulations, including federal grant requirements applicable to funding sources, will apply to this contract.

The principles in the Uniform Grant Management Standards (UGMS) as amended by revised federal circulars and incorporated in UGMS by the Governor's Budget and Planning Office shall be used as a guide in the pricing of fixed price arrangements where costs are used in determining the appropriate price.

RECEIVING AGENCY must give prior approval for changes to contract Attachment(s) as specified by UGMS in "Part III-State Uniform Requirements for Grants and Cooperative Agreements," Subpart C-Post-Award Requirements, item ___.30-Changes and applicable federal Office of Management and Budget (OMB) circulars. RECEIVING AGENCY will provide copies of applicable OMB circulars, Code of Federal Regulations, and UGMS to PERFORMING AGENCY upon request. These documents are incorporated by reference as a condition of this contract.

PERFORMING AGENCY may not use funds granted under this contract to pay any person for influencing or attempting to influence an officer or employee of any agency, federal or state, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with the awarding of any contract or grant or the extension, continuation, renewal, amendment, or modification of any contract or grant (31 USC §1352 and UGMS). If at any time this contract exceeds \$100,000, regardless of funding source, PERFORMING AGENCY shall file with RECEIVING AGENCY a declaration containing the name of any registrant under the Lobbying Disclosure Act of 1995 who has made lobbying contacts on behalf of PERFORMING AGENCY in connection with that contract or grant, a certification that none of the funds provided by RECEIVING AGENCY have been or will be used for payment to lobbyists, and disclosure of the names of any and all registered lobbyists with whom PERFORMING AGENCY has an agreement. PERFORMING AGENCY shall require any person who requests or receives a subgrant or subcontract to file the same declaration, certification, and disclosure with RECEIVING AGENCY. PERFORMING AGENCY shall file the declaration, certification, and disclosure at the time of application for the contract or grant; upon execution of a contract or grant unless PERFORMING AGENCY previously filed a declaration, certification, or disclosure form in connection with the award; and at the end of each calendar quarter in which there occurs any event that materially affects the accuracy of the information contained in any declaration, certification, or disclosure previously filed. RECEIVING AGENCY will supply the certification form to PERFORMING AGENCY upon request.

PERFORMING AGENCY, if a corporation, certifies by execution of this contract that it is current and will remain current in its payment of franchise taxes to the State of Texas or that it is exempt from payment of franchise taxes

under Texas law (Tax Code, §§171.001 *et seq.*). A false statement regarding franchise tax status is a material breach of this contract. If franchise tax payments become delinquent during the Attachment term, payments under this contract will be withheld until PERFORMING AGENCY's delinquent franchise tax is paid in full.

ARTICLE 8. Intellectual Property

Texas Health and Safety Code §12.020(a), authorizes RECEIVING AGENCY to apply for, register, secure, hold, and protect a patent, copyright, trademark or other evidence of protection or exclusivity issued in or for intellectual property.

"Intellectual property" consists of inventions; discoveries; improvements to any process, machine, manufacture, or composition of matter; products; technology; scientific information; trade secrets; computer software; literary works; musical works with any accompanying words; dramatic works with any accompanying music; pantomimes and

choreographic works; pictorial, graphic, and sculptural works; motion pictures and other audiovisual works; sound recordings; architectural works; words, names, symbols, devices, slogans or any combination thereof which have been adopted and used by RECEIVING AGENCY to identify goods and/or services and distinguish them from those of others; and any other creative works if they may be protected by a patent, copyright, trademark, service mark, collective mark, or certification mark or other evidence of protection or exclusivity whether or not protection or exclusivity has been applied for or received.

“Mark,” for purposes of trademark and service mark, includes a word, name, symbol, device, slogan or any combination thereof which has been adopted and used by RECEIVING AGENCY to identify goods and/or services and distinguish them from those of others. Federal trademark law also provides for collective marks and certification marks.

“Patent” protects any new and useful process, machine, manufacture, or composition of matter, or any new and useful improvement.

“Work made for hire” is a work prepared by an employee within the scope of his or her employment; or a work specially ordered or commissioned for use as a contribution to a collective work, as a part of a motion picture or other audiovisual work, as a translation, as a supplementary work, as a compilation, as an instructional text, as a test, as answer material for a test, or as an atlas, and the parties expressly agree in a written instrument signed by them that the work shall be considered a work made for hire.

The term “works,” for purposes of federal copyright law, includes software; literary works; musical works with any accompanying words; dramatic works with any accompanying music; pantomimes and choreographic works; pictorial, graphic, and sculptural works; motion pictures and other audiovisual works, sound recordings and architectural works.

All work performed that results in the production of original books, manuals, films, or other original material is the exclusive property of RECEIVING AGENCY. All right, title, and interest in and to said property shall vest in RECEIVING AGENCY upon creation. All work performed shall be deemed to be a “work made for hire” for copyright purposes and made in the course of the services rendered pursuant to this contract. To the extent that title to any such work may not, by operation of law, vest in RECEIVING AGENCY or such work may not be considered a work made for hire, all rights, title and interest therein are hereby irrevocably assigned to RECEIVING AGENCY. RECEIVING AGENCY shall have the right to obtain and to hold in its own name any and all patents, copyrights, trademarks, service marks, certification marks, collective marks, registrations, or such other protection as may be appropriate to the subject matter, and any extensions and renewals thereof. PERFORMING AGENCY shall ensure all rights, titles, and interest in and to the intellectual property are secured to RECEIVING AGENCY from PERFORMING AGENCY and its subrecipients. PERFORMING AGENCY agrees to give RECEIVING AGENCY and agrees to require its subrecipients to give RECEIVING AGENCY, or any person designated by RECEIVING AGENCY, all assistance required to perfect the rights defined in this Article, without any charge or expense beyond those amounts payable to PERFORMING AGENCY for the services rendered under the contract.

If federal funds are used to finance activities supported by the contract Attachment(s) that result in the production of original books, manuals, films, or other original material, the federal awarding agency reserves a royalty-free, nonexclusive, and irrevocable license to reproduce, publish or otherwise use, and to authorize others to use, for federal government purposes (1) the copyright in any work developed under a grant, subgrant, or contract under a grant or subgrant; and (2) any rights of copyright to which a PERFORMING AGENCY or its subrecipient purchases ownership with grant support. PERFORMING AGENCY shall place an acknowledgment of federal awarding agency grant support and a disclaimer, as appropriate, on any publication written or published with such support and, if

feasible, on any publication reporting the results of or describing a grant-supported activity. An acknowledgment shall be to the effect that “This publication was made possible by grant number _____ from (federal awarding agency)” or “The project described was supported by grant number _____ from (federal awarding agency)” and “Its contents are solely the responsibility of the authors and do not necessarily represent the official views of the (federal awarding agency).”

In the event the terms of a federal grant award the copyright to PERFORMING AGENCY, RECEIVING AGENCY reserves a royalty-free, nonexclusive, worldwide and irrevocable license to reproduce, publish or otherwise use, and to authorize others to use, for RECEIVING AGENCY, public health, and state governmental noncommercial purposes (1) the copyright, trade mark, service mark, and/or patent on an invention, discovery, or improvement to any process, machine, manufacture, or composition of matter; products; technology; scientific information; trade secrets; and computer software, in any work developed under a grant, subgrant, or contract under a grant or subgrant; and (2) any rights of copyright, service or trade marks or patents to which a grantee, subgrantee or a contractor purchases ownership with grant support.

RECEIVING AGENCY may waive ownership of a copyright, mark, or patent to a university or college with statutory authority to hold a copyright, mark, or patent or to a subcontractor of the college or university that would have the right of ownership under rules or policies of the college or university as part of the consideration for a contract. If RECEIVING AGENCY waives ownership, RECEIVING AGENCY reserves a royalty-free, nonexclusive, worldwide and irrevocable license to reproduce, publish or otherwise use, and to authorize other to use, for RECEIVING AGENCY and state governmental non-commercial and public health purposes: (1) the copyright, trade mark, service mark, and patent in any intellectual property developed under a contract, grant, subgrant, or contract under a grant or subgrant; and (2) any rights of copyright, trade mark, service mark, and patent in any intellectual property for which a grantee, subgrantee or a contractor purchases ownership with grant support or with other funds from RECEIVING AGENCY. RECEIVING AGENCY may waive ownership of the copyright to accomplish the contract objectives dealing with public health through a qualified state college or university and enhance the recruiting benefits and prestige of the college or university.

PERFORMING AGENCY may publish the results of the contract performance if those results are subject to copyright law at its expense with prior RECEIVING AGENCY review and approval. RECEIVING AGENCY will not withhold the approval unreasonably. If RECEIVING AGENCY withholds approval, PERFORMING AGENCY may still publish the results of the contract performance but shall not reference the Texas Department of Health in any manner. If RECEIVING AGENCY approves and owns the copyright, any publication should include “© (the year of publication), Texas Department of Health, All Rights Reserved.” If PERFORMING AGENCY is the copyright holder, any publication shall include acknowledgment of the support received from RECEIVING AGENCY. At least six copies of any such publication must be provided to RECEIVING AGENCY. RECEIVING AGENCY reserves the right to require additional copies before or after the initial review.

PERFORMING AGENCY shall disburse program income, rebates, refunds, contract settlements, audit recoveries and interest earned on such funds before requesting cash payments including advance payments from RECEIVING AGENCY.

Funding from this contract may not be used to supplant [i.e., use in place of funds dedicated, appropriated or expended for activities funded through the Attachment(s)] state or local funds, but PERFORMING AGENCY shall use the funds from this contract to increase state or local funds currently available for a particular activity. PERFORMING AGENCY shall maintain its current level of support, if possible.

RECEIVING AGENCY shall determine whether costs submitted by PERFORMING AGENCY are allowable and payable. If RECEIVING AGENCY has paid funds to PERFORMING AGENCY for unallowable or ineligible costs, PERFORMING AGENCY shall return the funds to RECEIVING AGENCY within 30 days of written notice.

RECEIVING AGENCY may withhold all or part of any payments to PERFORMING AGENCY to offset payment for any ineligible expenditures that PERFORMING AGENCY has not paid to RECEIVING AGENCY. RECEIVING AGENCY may take repayment from funds available under any contract Attachment, active or expired, in amounts necessary to fulfill PERFORMING AGENCY repayment obligations.

ARTICLE 15. Program Income

PERFORMING AGENCY may, or if PERFORMING AGENCY is a local health department shall, develop a fee-for-service system and a schedule of fees for personal health services in accordance with the provisions of Health and

Safety Code, §12.031; the Texas Board of Health rules covering Fees for Clinical Health Services, 25 TAC §1.91; and other applicable laws. No patient may be denied a service due to inability to pay.

All revenues directly generated by an Attachment(s) supported activity or earned only as a result of the Attachment(s) during the term of the Attachment(s) are considered program income. PERFORMING AGENCY shall identify and report this income utilizing the forms and frequencies specified in the Reports Article of these provisions, and in the Special Provisions of the Attachment(s).

PERFORMING AGENCY shall use program income to provide additional client services. Any program income not used to provide additional client services shall be deducted from PERFORMING AGENCY's total final billing to RECEIVING AGENCY at the end of the Attachment(s) term(s).

RECEIVING AGENCY may base future funding levels, in part, upon PERFORMING AGENCY's proficiency in identifying, billing, collecting, and reporting program income, and in utilizing it for the purposes and conditions of the applicable Attachment(s).

ARTICLE 16. Contracts with Subrecipients

PERFORMING AGENCY may enter into contracts with subrecipients unless restricted or otherwise prohibited in specific Attachment(s). Prior to entering into an agreement equaling \$25,000 or 25% of an Attachment, whichever is greater, PERFORMING AGENCY shall obtain written approval from RECEIVING AGENCY.

Contracts with subrecipients shall be in writing and must include the following:

- all clauses required by state/federal statutes, executive orders, and their implementing regulations.

PERFORMING AGENCY is responsible to RECEIVING AGENCY for the performance of any subrecipient. PERFORMING AGENCY will monitor performance and maintain pertinent records that will be available for inspection by RECEIVING AGENCY.

PERFORMING AGENCY shall ensure that:

- subrecipients are fully aware of the requirements imposed upon them by state/federal statutes and regulations;
- subrecipients comply with all financial management requirements as defined by RECEIVING AGENCY, UGMS and the applicable OMB circulars;
- subrecipients complete required audits; and, that
- an adequate tracking system is maintained to ensure timely receipt of any subrecipient's required audit reports and the resolution of any findings and questioned costs cited by these reports.

ARTICLE 17. Contracts for Procurement

PERFORMING AGENCY may enter into contracts for procurement unless restricted or otherwise prohibited in specific Attachment(s). PERFORMING AGENCY agrees that it shall be responsible to RECEIVING AGENCY for the performance of any subcontracted activity.

Contracts for procurement shall be in writing and must contain the following provisions:

- Administrative, contractual, or legal remedies in instances where contractors violate or breach contract terms, and provide for such sanctions and penalties as may be appropriate (contracts other than small purchases).
- Termination for cause and for convenience by PERFORMING AGENCY including the manner by which it will be effected and the basis for settlement (all contracts in excess of \$10,000).

- Retention of all required records for the required retention period after RECEIVING AGENCY makes final payments and all other pending matters are closed.
- Compliance with all applicable standards, orders, or requirements issued under §306 of the Clean Air Act (42 USC §1857(h)), §508 of the Clean Water Act (33 USC §1368), Executive Order 11738, and Environmental Protection Agency regulations (40 CFR Part 15) (contracts, subcontracts, and subgrants of amounts in excess of \$100,000).
- Mandatory standards and policies relating to efficiency which are contained in the state energy plan issued in compliance with the Energy Policy and Conservation Act (P. L. 94-163).

ARTICLE 18. Reports

PERFORMING AGENCY shall submit the financial, program, and progress reports required by RECEIVING AGENCY in the format agreed to by the parties. PERFORMING AGENCY shall provide RECEIVING AGENCY other reports RECEIVING AGENCY determines to be necessary to accomplish the objectives of this contract and to monitor compliance. If PERFORMING AGENCY is legally prohibited from providing such reports, it shall immediately notify RECEIVING AGENCY.

ARTICLE 19. Inspections

RECEIVING AGENCY and, when federal funds are involved, any authorized representative(s) of the federal government have the right, at all reasonable times, to inspect or otherwise evaluate the work (including reviews of client or patient records and discussions with staff) performed by PERFORMING AGENCY and its subrecipient(s), if any, and the premises on which the work is being performed. PERFORMING AGENCY and its subrecipient(s) shall participate in inspections and provide reasonable access, facilities, and assistance to the representatives. All inspections and evaluations will be conducted in such a manner as will not unduly interfere with the work.

PERFORMING AGENCY (and any parent, affiliate or subsidiary organization, if such a relationship exists) and its subrecipient(s), if any, shall give RECEIVING AGENCY, the federal government, and the Texas State Auditor, or any of their duly authorized representatives, access to any pertinent books, documents, papers, and client or patient records, if any, for the purpose of making audit, examination, excerpts, and transcripts of transactions related to contract Attachment(s). RECEIVING AGENCY will have the right to audit billings both before and after payment. Payment under Attachment(s) will not foreclose the right of RECEIVING AGENCY to recover excessive or illegal payments.

Any deficiencies identified by RECEIVING AGENCY upon examination of PERFORMING AGENCY's records will be conveyed in writing to PERFORMING AGENCY. PERFORMING AGENCY's resolution of findings will also be conveyed in writing to RECEIVING AGENCY within 30 days of receipt of RECEIVING AGENCY's findings. A RECEIVING AGENCY determination of either an inadequate or inappropriate resolution of the findings may result in sanctions which will remain in effect until RECEIVING AGENCY determines the deficiencies are properly remedied.

ARTICLE 20. Records Retention

PERFORMING AGENCY shall retain and preserve all records relating to this contract generated or collected by PERFORMING AGENCY or subgrantee thereof according to Government Code §441.006, 13 TAC §6.10, RECEIVING AGENCY's certified records retention schedule, and UGMS, Part III, "State Uniform Requirements for Grants and Cooperative Agreements," Subpart C - Post-Award Requirements, Item ___.42. Any record held by PERFORMING AGENCY which is not identified in the referenced retention schedules will be retained by PERFORMING AGENCY for a period of three years from the date of the last expenditure report submitted under contract Attachment(s) or until all audit questions are resolved, or until any court order(s) requiring record retention are dissolved, whichever time period is longer. PERFORMING AGENCY shall retain medical records in accordance with the governing rules or regulations which may be applicable.

The retention schedules referenced in this Article are incorporated by reference and made a part of this contract. PERFORMING AGENCY may obtain a copy of the record retention schedules or the Texas Department of Health Records Handbook by contacting RECEIVING AGENCY's Records Coordinator.

Legal requirements for PERFORMING AGENCY may extend beyond the retention schedules established herein.

ARTICLE 21. Patient or Client Records

Notwithstanding any other provision herein, if requested by RECEIVING AGENCY, PERFORMING AGENCY shall share all patient or client information with RECEIVING AGENCY when the contract involves patient or client care by PERFORMING AGENCY.

RECEIVING AGENCY may require PERFORMING AGENCY, or any subrecipient, to transfer a client or patient record to another agency or to RECEIVING AGENCY if the transfer is necessary to protect either the confidentiality of the record or the health and welfare of the client or patient.

In the event of termination, RECEIVING AGENCY may require the transfer of client or patient records as authorized by law upon written notice to PERFORMING AGENCY, either to another entity that agrees to continue the service or to RECEIVING AGENCY.

At the end of the Attachment term, PERFORMING AGENCY shall give RECEIVING AGENCY access to the records or provide copies for audit, examination, evaluation, inspection, litigation, or other circumstances that may arise, to the extent authorized by law.

PERFORMING AGENCY, or any subrecipient, shall not otherwise transfer an identifiable client record, including a patient record, to another entity or person without written consent from the client or patient, or someone authorized to act on his or her behalf. Written consent must be given on a form provided by RECEIVING AGENCY or as otherwise authorized by law, including the Texas Medical Practice Act, Texas Occupations Code, §§159.001 *et seq.*

ARTICLE 22. Confidentiality

PERFORMING AGENCY shall have a system in effect to protect client or patient records and all other documents deemed confidential by law which are maintained in connection with the activities funded under this contract. PERFORMING AGENCY shall not disclose or transfer confidential client or patient information, including information required by the Reports Article, except in accordance with applicable law.

If providing direct client care, services, or programs, PERFORMING AGENCY shall implement RECEIVING AGENCY's policies based on the model HIV/AIDS (human immunodeficiency virus/acquired immunodeficiency syndrome) workplace guidelines, and PERFORMING AGENCY shall educate employees and clients concerning HIV and its related conditions, including AIDS, in accordance with the Health and Safety Code, §§85.112-114.

ARTICLE 23. Hold Harmless

PERFORMING AGENCY, as an independent contractor, agrees to hold RECEIVING AGENCY and/or the federal government harmless and to indemnify them from any and all liability, suits, claims, losses, damages and judgments, and to pay all costs, fees, and damages to the extent that such costs, fees, and damages arise from performance or nonperformance of PERFORMING AGENCY under this contract.

ARTICLE 24. Sanctions

RECEIVING AGENCY may impose sanctions for any breach of contract, and will monitor PERFORMING AGENCY for both programmatic and financial compliance. RECEIVING AGENCY may, at its own discretion, impose one or more sanctions for each item of noncompliance and will determine sanctions on a case-by-case basis. A state or federal statute, rule, regulation, or federal guideline will prevail over the provisions of this Article unless the statute, rule, regulation, or guideline can be read together with the provision(s) of this Article to give effect to both.

RECEIVING AGENCY may:

- A. terminate all or a part of the contract. Termination is the permanent withdrawal of PERFORMING AGENCY's authority to obligate previously awarded funds before that authority would otherwise expire

or the voluntary relinquishment by PERFORMING AGENCY of the authority to obligate previously awarded funds. PERFORMING AGENCY costs resulting from obligations incurred by PERFORMING AGENCY after termination of an award are not allowable unless expressly authorized by the notice of termination. Termination does not include: (1) withdrawal of funds awarded on the basis of PERFORMING AGENCY's underestimate of the unobligated balance in a prior period; (2) withdrawal of the unobligated balance as of the expiration of a contract; (3) refusal to extend a contract or award additional funds, to make a competing or noncompeting continuation, renewal, extension, or supplemental award; or (4) voiding of a contract upon determination that the award was obtained fraudulently, or was otherwise illegal or invalid from inception;

- B. suspend all or part of the contract. Suspension is, depending on the context, either (1) the temporary withdrawal of PERFORMING AGENCY's authority to obligate funds pending corrective action by PERFORMING AGENCY or its subrecipient(s) or pending a decision to terminate or amend the contract, or (2) an action taken by a suspending official in accordance with agency regulations implementing Executive Order 12549 to immediately exclude a person from participating in contract transactions for a period, pending completion of an investigation and such legal or debarment proceedings as may ensue. PERFORMING AGENCY costs resulting from obligations incurred by PERFORMING AGENCY during a suspension are not allowable unless expressly authorized by the notice of suspension;
- C. disallow (deny both use of funds and matching credit for) all or part of the activities or action not in compliance;
- D. temporarily withhold cash payments. Temporarily withholding cash payments means the temporary withholding of advances or reimbursements to PERFORMING AGENCY or its subrecipient(s) for proper charges or obligations incurred, pending resolution of issues of noncompliance with contract conditions or indebtedness to the United States or to the State of Texas;
- E. permanently withhold cash payments. Permanent withholding of cash payment means that RECEIVING AGENCY retains funds billed by PERFORMING AGENCY or its subrecipient(s) for a) unallowable, undocumented, disputed, inaccurate, improper, or erroneous billings; b) failure to comply with contract provisions; or c) indebtedness to the United States or to the State of Texas;
- F. deny contract renewal or future contract awards to a PERFORMING AGENCY;
- G. delay contract execution with PERFORMING AGENCY while other imposed or proposed sanctions are pending resolution;
- H. place PERFORMING AGENCY on probation. Probation means that PERFORMING AGENCY will be placed on accelerated monitoring for a period not to exceed six months at which time items of noncompliance must be resolved or substantial improvement shown by PERFORMING AGENCY;
- I. conduct accelerated monitoring of PERFORMING AGENCY. Accelerated monitoring means more frequent or more extensive monitoring will be performed by RECEIVING AGENCY than would routinely be accomplished;
- J. require PERFORMING AGENCY to obtain technical or managerial assistance;

- K. disallow requests for payments by disapproving costs or fees submitted for payment or reimbursement by PERFORMING AGENCY;
- L. establish additional prior approvals for expenditure of funds by PERFORMING AGENCY;
- M. require additional, more detailed, financial and/or programmatic reports to be submitted by PERFORMING AGENCY;
- N. demand repayment from PERFORMING AGENCY;
- O. reduce the contract funding amount for failure to achieve or maintain the proposed level of service, to expend funds appropriately and at a rate which will make full use of the award, or to provide services as set out in the contract; and
- P. impose other remedies provided by law.

RECEIVING AGENCY will formally notify PERFORMING AGENCY in writing when a sanction is imposed (with the exception of accelerated monitoring, which may be unannounced), stating the nature of the sanction(s), the reasons for imposing them, the corrective actions which must be taken before they will be removed and the time allowed for completing the corrective actions, and the method, if any, of requesting reconsideration of the sanctions imposed. PERFORMING AGENCY is required to file, within 15 days of receipt of notice, a written response to RECEIVING AGENCY's program/division that sent the notice, acknowledging receipt of such notice and stating how PERFORMING AGENCY will correct the noncompliance or demonstrating in writing that the findings on which the sanctions are based are either invalid or do not warrant the sanction(s). If RECEIVING AGENCY determines that a sanction is warranted, and unless the sanction is subject to review (see Sanction Review Article), RECEIVING AGENCY's decision is final and PERFORMING AGENCY must take corrective action.

In an emergency, RECEIVING AGENCY may immediately terminate or suspend all or part of the contract, temporarily or permanently withhold cash payments, deny contract renewal or future contract awards, or delay contract execution by delivering written notice to PERFORMING AGENCY, by any verifiable method, stating the reason for the emergency action.

An "emergency" is defined as the following:

- PERFORMING AGENCY is noncompliant and the noncompliance has a direct adverse impact on the public or client health or safety. The direct adverse impact may be programmatic or financial, impacting health or safety by failing to provide services, providing inadequate services, providing unnecessary services, or utilizing resources so that the public or clients do not receive the benefits contemplated by the contract scope of work or performance measures;
- PERFORMING AGENCY fails to achieve a performance measure;
- PERFORMING AGENCY is paid or requesting payment for expenditures which are not in accordance with applicable federal or state laws and regulations or the provisions of the contract; or
- PERFORMING AGENCY is expending funds inappropriately.

Whether PERFORMING AGENCY's conduct or inaction is an emergency shall be determined by RECEIVING AGENCY on a case-by-case basis and shall be based upon the egregious nature of the noncompliance or conduct.

ARTICLE 25. Sanction Review

PERFORMING AGENCY may request a review of the imposition of the following sanctions: termination of all or part of the contract, suspension of all or part of the contract, permanent withholding of cash payments, and denial of contract renewal or future contract awards.

PERFORMING AGENCY must make the request for review in writing to RECEIVING AGENCY within fifteen (15) days from the date of notification by providing written notice of the dispute to the person who signed the notification.

PERFORMING AGENCY's notice shall contain the following: (1) a copy of the letter from RECEIVING AGENCY notifying PERFORMING AGENCY of the sanction; (2) a specific description of each act that is the basis for the dispute; (3) the grounds upon which PERFORMING AGENCY bases the complaint; (4) an identification of the issue or issues to be resolved; (5) a precise statement of the relevant facts; (6) any documentation in support of PERFORMING AGENCY's position; and (7) a statement and authorities in support of PERFORMING AGENCY's position.

Evidence that PERFORMING AGENCY properly notified RECEIVING AGENCY consists of any of the following documents: (1) signature on delivery card; (2) confirmation of a facsimile to the correct telephone number; or (3) signed acknowledgment of delivery.

RECEIVING AGENCY's representative will schedule a meeting or a conference call to attempt to resolve the issues in dispute. If the dispute is resolved, any resolution will be in writing and will be signed by all parties. If the dispute is not resolved, RECEIVING AGENCY's representative will notify PERFORMING AGENCY in writing. RECEIVING AGENCY will appoint a reviewer(s), who will review the information, who may permit or require additional information and who may grant, deny, or modify all relief requested in the written notice of dispute. The reviewer(s)'s decision will be in writing and will contain a discussion of the reason for the decision and the remedial action, if any. The reviewer(s) will send copies of the decision to all parties by any verifiable means. The decision of the reviewer(s) is final and is the final action of RECEIVING AGENCY for purposes of further proceedings.

A state statute or rule or a federal statute, regulation or guideline will prevail over the provisions of this Article unless the statute, rule, regulation or guideline can be read together with the provision or provisions of this Article to give effect to both.

ARTICLE 26. Dispute Resolution for Breach of Contract

The dispute resolution process provided for in Chapter 2260 of the Government Code shall be used, as further described herein, by RECEIVING AGENCY and PERFORMING AGENCY to attempt to resolve any claim for breach of contract made by PERFORMING AGENCY. (This process is not applicable for governmental entities.)

- A. PERFORMING AGENCY's claims for breach of this contract that the parties can not resolve in the ordinary course of business shall be submitted to the negotiation process provided in Chapter 2260, subchapter B, of the Government Code. To initiate the process, PERFORMING AGENCY shall submit written notice, as required by subchapter B, to Susan K. Steeg, General Counsel. Said notice shall specifically state that the provisions of Chapter 2260, subchapter B, are being invoked. A copy of the notice shall also be given to all other representatives of RECEIVING AGENCY and PERFORMING AGENCY otherwise entitled to notice under the parties' contract. Compliance by PERFORMING AGENCY with subchapter B is a condition precedent to the filing of a contested case proceeding under Chapter 2260, subchapter C, of the Government Code.

- B. The contested case process provided in Chapter 2260, subchapter C, of the Government Code is PERFORMING AGENCY's sole and exclusive process for seeking a remedy for any and all alleged breaches of contract by RECEIVING AGENCY if the parties are unable to resolve their disputes under subparagraph (A) of this paragraph.
- C. Compliance with the contested case process provided in subchapter C is a condition precedent to seeking consent to sue from the Legislature under Chapter 107 of the Civil Practices and Remedies Code. Neither the execution of this contract by RECEIVING AGENCY nor any other conduct of any representative of RECEIVING AGENCY relating to the contract shall be considered a waiver of sovereign immunity to suit.

The submission, processing and resolution of PERFORMING AGENCY's claim is to be governed by the published rules adopted by RECEIVING AGENCY pursuant to Chapter 2260, as currently effective, hereafter enacted or subsequently amended. These rules are to be found at 25 TAC Chapter 1, when available.

Neither the occurrence of an event nor the pendency of a claim constitute grounds for the suspension of performance by PERFORMING AGENCY, in whole or in part.

ARTICLE 27. Termination

Each Attachment shall terminate upon the expiration date of the Attachment unless extended by written amendment in accordance with the Amendments Article. Prior to completion of the contract term, all or a part of this contract may be terminated with or without cause as set out below.

A. Termination without cause.

- (1) Either party may terminate this contract with at least 90 days prior written notice to the other party.

B. Termination for cause.

- (1) Either party may terminate for material breach of contract with at least 30 days written notice to the other party.
- (2) RECEIVING AGENCY may terminate this contract, in whole or in part, for breach of contract or for any other conduct that jeopardizes the contract objectives, by giving at least 30 days written notice to PERFORMING AGENCY. Such conduct may include one or more of the following:
 - (a) A court of competent jurisdiction finds that PERFORMING AGENCY has failed to adhere to any laws, ordinances, rules, regulations or orders of any public authority having jurisdiction;

- (f) PERFORMING AGENCY's management system does not meet the UGMS management standards; or
- (g) PERFORMING AGENCY appears to be financially unstable. Indicators of financial instability may include one or more of the following:
 - (i) PERFORMING AGENCY fails to make payments;
 - (ii) PERFORMING AGENCY makes an assignment for the benefit of its creditors;
 - (iii) PERFORMING AGENCY admits in writing its inability to pay its debts generally as they become due;
 - (iv) If judgment for the payment of money in excess of \$50,000 (which is not covered by insurance) is rendered by any court or governmental body against PERFORMING AGENCY, and PERFORMING AGENCY does not (a) discharge the judgment or (b) provide for its discharge in accordance with its terms, or (c) procure a stay of execution within 30 days from the date of entry thereof, and within the 30-day period or a longer period during which execution of the judgment shall have been stayed, appeal therefrom and cause the execution thereof to be stayed during such appeal while providing such reserves therefore as may be required under generally accepted accounting principles;
 - (v) A writ or warrant of attachment or any similar process shall be issued by any court against all or any material portion of the property of PERFORMING AGENCY, and such writ or warrant of attachment or any similar process is not released or bonded within 30 days after its entry;
 - (vi) PERFORMING AGENCY is adjudicated bankrupt or insolvent;
 - (vii) PERFORMING AGENCY files a case under the Federal Bankruptcy Code or is seeking relief under any provision of any bankruptcy, reorganization, arrangement, insolvency, readjustment of debt, dissolution, receivership or liquidation law of any jurisdiction, whether now or hereafter in effect, or consents to the filing of any case or petition against it under any such law;

- C. Emergency termination. In emergency circumstances, RECEIVING AGENCY may terminate the contract immediately upon notice to PERFORMING AGENCY by any verifiable means. "Emergency" is defined in the Sanctions Article.

Either party may deliver written notice of intent to terminate by any verifiable method. If either party gives notice of its intent to terminate all or a part of this contract, RECEIVING AGENCY and PERFORMING AGENCY will try to resolve any issues related to the anticipated termination in good faith during the notice period. Upon termination of all or part of this contract, RECEIVING AGENCY and PERFORMING AGENCY will be discharged from any further obligation created under the applicable terms of this contract except for the equitable settlement of the respective accrued interests or obligations incurred prior to termination. Termination does not, however, constitute a waiver of any remedies for breach of this contract. In addition, the obligations of PERFORMING AGENCY to retain records and maintain confidentiality of information shall survive this contract.

ARTICLE 28. Void Contract

RECEIVING AGENCY may hold a contract void upon determination that the contract award was obtained fraudulently or was otherwise illegal or invalid from its inception.

ARTICLE 29. Severability

If any provision of this contract is construed to be illegal or invalid, the illegal or invalid provision will be deemed stricken and deleted to the same extent and effect as if never incorporated, but all other provisions will continue.

ARTICLE 30. Survival of Terms

Termination or expiration of this contract for any reason shall not release either party from any liabilities or obligations set forth in this contract that (a) the parties have expressly agreed shall survive any such termination or expiration, or (b) remain to be performed or by their nature would be intended to be applicable following any such termination or expiration.

ARTICLE 31. Construction of Ambiguities

The parties expressly agree that they have each independently read and understood this contract. Any ambiguities in this contract will not be construed against the drafters.

ARTICLE 32. No Waiver of Sovereign Immunity

THE PARTIES EXPRESSLY AGREE THAT NO PROVISION OF THIS CONTRACT IS IN ANY WAY INTENDED TO CONSTITUTE A WAIVER BY RECEIVING AGENCY OR THE STATE OF TEXAS OF ANY IMMUNITIES FROM SUIT OR FROM LIABILITY THAT RECEIVING AGENCY OR THE STATE OF TEXAS MAY HAVE BY OPERATION OF LAW.
